Homeopathic treatment

for chronic diseases considers the nature of the disease to be treated. The curability depends on the cause, effect, depth, and extent of the disease. The individual is examined completely and the body's own healing powers are stimulated by the medicinal remedies.

Homeopathy is used as a preventive treatment as well.

For the last 10 years, Dr. Shailesh Yadav has been a dedicated classical homeopath treating many patients with homeopathy and is known to help them recover from their acute ailments successfully. With the knowledge and experience of having worked with and assisted renowned homeopaths along with his unique way of analyzing patients and their illnesses he has gained a reputation of an excellent prescriber. This has helped him acquire a formidable list of faithful clientele.
